BLUFF

BEACON

Issue 1314 Dated 12th October 2010 PRICE 60 cents

ENOUGH IS BLOODY WELL ENOUGH!! Bluff residents are heartily feed up with an element of youth in our town who persist in damaging and stealing from Bluff Pool.

Overnight last Monday 4th October Bluff Pool was again broken into, with an exterior lock broken to obtain access and an internal padlock broken to steal four ice blocks, five bottles of fizzy drink and a whole bag of small 5c size lollipops.

The pool was also broken into during September and on a third occasion a wall and door section on the north side of the building was adorned with graffiti.

These young folk deserve to receive a jolly good backlash and made to carry out fundraising to help upgrade the pool which residents are so tirelessly working toward. Or perhaps they would rather the pool closed?

Parents, have your children come home with these food items which they didn't have previously?? Residents have you noticed suspicious activity around the pool, or young ones with these food items??

It's time they were shown what is what around Bluff. No money is held on the pool premises. These jobs are only going to spoil it for the good kids who enjoy lollies and fizz while swimming.

ROUND THE WORLD WALKER

Jean Beliveau was farewelled as he set off on the last leg of his epic journey from Stirling Point on Monday by Bluff Community Board chairperson Jan Mitchell, Southland Spirit of a Nation convenor Gerry Forde and Barnardos representatives.

Jean left his home in Canada some 10 years ago to walk around the world in support of the UNESCO international decade for peace and non-violence for children. He has crossed 64 countries and after walking the length of NZ will return to his homeland. Jean has been through 48 pairs of shoes and stayed in thousands of different homes. As he travels the length of our country his walk will fundraise for Barnardos NZ.
